

Packaging specification

Werit item code : 205-BA4F0TB6-49 W087A

Abstract : 1000 L STD IBC ,natural colour, black top lid DN 225 S240x6 , welded valve DN 50 S60x6 outer threads, PCP gasket, 1 label plate 722x390 mm, galvanised on both sides, screw on the frontside , nestable plastic pallet

Technical data

Dimensions in mm :	Length :	1200
	Width :	1000
	Height :	1163

Total weight :	54,5 kg
----------------	---------

Capacity :	1000 L
------------	--------

Brimful capacity :	1060 L
--------------------	--------

Construction :

Inner container :	Blow moulded tank of HDPE natural / Free of recycled polymers / Food contact approved Colour of the inner bottle : natural Weight : 14 Kg
-------------------	---

Filling opening	Filling opening : DN 225 S240x6 outer threads Lid (HDPE): DN 225 S240x6 internal threads Colour of lid : black Foam gasket 710x7 EPDM quality Weight : 0,4 Kg
-----------------	---

Discharge opening	Discharge valve (HDPE): welded Threads: DN 50 S60x6 outer threads Piston gasket: PCP Colour of handle : blue Handle gasket in Viton Yellow tamper evident (HDPE) Tamper evident alu/PE foil easy peel Sealable screw cap (HDPE) Flat gasket screw cap in foam (HDPE) Weight : 0,2 Kg
-------------------	---

Discharge accessory :	Elbow pipe DN 50 S60x6 outer threads, internal and external, fastened to the IBC (HDPE).
Outer container :	Horizontal and vertical welded steel tubes, inside and outside galvanised. Rectangular steel cage is screwed on the pallet . 4 tie-bars, based on the top of IBC are connected to the steel cage with screws.
	Weight : 22,2 Kg
Label plate :	1 label plate 722x390 mm, galvanised on both sides, screw on the frontside
	Weight in kg: 1,2 Kg
Pallet :	nestable plastic pallet 1000x1200, 4 way entry Weight : 16,5 Kg
Delivery :	IBCs bundled, inner bottle free of soiling and ready for filling
Distinctive features :	10 clamp
UK Plastic Packaging Tax	14,55 kg
Static load :	2 + 1 for density $\leq d^*$ *d=1,4 on steel or plastic pallet 1 + 1 for density $\geq d^*$ *d=1,2 on wooden pallet; 1,4 on reinforced version

All dimensions and weights are approximate.
